New Sponsorship Program:

In past years teams had one sponsor per team at a cost of $1800.00 per sponsor. These Sponsors are becoming increasingly difficult to find, so in an effort to continue with team sponsors and reduce TEAM costs for the year the PMHC has changed our team sponsorship program.

This year each player/parent will be required to find a $500.00 player sponsor.

The sponsor in return will receive the following:
- Name on the back of the individual players' home and away Jersey.
- Name on the PMHC Website.
- Name on a team sponsor banner that will be set up at each home game.
- Mentions on the PMHC Twitter account.
- Name in the PMHC tournament programs.
- Charitable tax receipts for registered small businesses / corporations.
- A puck signed by players and delivered to the sponsor.

Anyone can be a sponsor from a proud parent or grandparent, small business, corporation etc.
A letter will be drafted up by our President to hand out to prospective Sponsors.

Where does this money go?

Half of this money goes **DIRECTLY TO THE TEAM** account to cover monthly expenses. The other half will go to the PMHC to offset the previous Major Sponsor funds and to cover the increased costs for ice, enhanced development program, etc. This allows the PMHC to keep Registration costs at a much lower rate than other centers and in turn helps your team raise money with sponsorship.

ALL SPONSORSHIPS WILL NEED TO BE secured and paid in full BY JULY 1st, to ensure that name bars are ready to put on the new jerseys for the upcoming hockey season. ***Sponsorship cheques should be made payable to the PMHC.***
