TRAINING / DEVELOPMENT

TOP PERFORMANCE TRAINING

Spike McCormick will facilitate team strength training and team building exercises on a weekly basis. Spike has a great reputation in the area as a strength and conditioning coach. A former Pro Hockey player and NCAA Player. Spike will bring more than just strength and conditioning to our team.

EXPOSURE AND GOALS

The goal of our program is to promote the athletes to the level of hockey they desire. The coaching staff is committed to helping the players reach their maximum potential as hockey players and young adults. We are motivated to create a winning program that will see the players graduate to the best programs hockey has to offer in the future.
